

Silver Crown status has been awarded to Mountain View resort for the **7TH YEAR IN A ROW!!** Credit for this great achievement goes to the Mountain View staff and Board of Directors for making this a top priority in 2009! Silver Crown is the highest award that can be granted to Mountain View Resort due to the A units not having two full baths and the B units not having cook tops, however, RCI guests have consistently rated Mountain View at "Gold Crown". This is excellent news for owners, your trading power increases with Silver Crown status when trading your unit with RCI. Maintaining this distinction will remain a top priority in 2010.

The Mountain View Condominium Association 2009 Annual Meeting was held on November 7th. The full minutes of the meeting are in the News section of the Mountain View Website (Mt-View-Resort.com)

To get where you want to go, REQUEST EARLY! Give RCI several choices. This means you will need to pay the exchange fee to RCI and let RCI search for you.
